We consider the 1973 DRAPERIAN one of the finest yearbooks ever produced at Draper High School. The planning on this book began in March 1972. We started to gather the material at that time - it has taken a great deal of effort on our part but we gladly devoted the time. We want our school shown to its best advantage. In so doing this we met our deadlines early; were able to include some exciting color; and attempted to reflect the spirit of Draper at its best. We feel that this effort is something of which the Draper community can be proud.

May 19, 1972

An event that we thought would never come became a reality today. We all worked to change the gym into a place which reflected the goal of our Junior year. The highlight of the evening came when we crowned Jo Ann D'Alessandris, our Prom Queen. It was an evening to be remembered forever.

June 1, 1972

Today seventeen Juniors were tapped for the National Honor Society.

September 6, 1972

We officially became seniors today. After all those years it's hard to believe.

February 10, 1973

Weeks of preparing and rehearsing proved worthwhile ... the time came to present our Senior Play ... Everyone worked together to make it a success.

February 16, 1973

Our foreign exchange student Mario Godoy spoke in assembly today. We enjoyed having him in our class this year and regret seeing him leave.

June 1, 1973

Today was our Junior-Senior Assembly ... Senior superlatives were revealed ... the class will was handed out.

Tonight we enjoyed our Senior Banquet ... while looking at our yearbooks we reminisced ... All our past experiences at Draper ... Our friends ... Our Class.

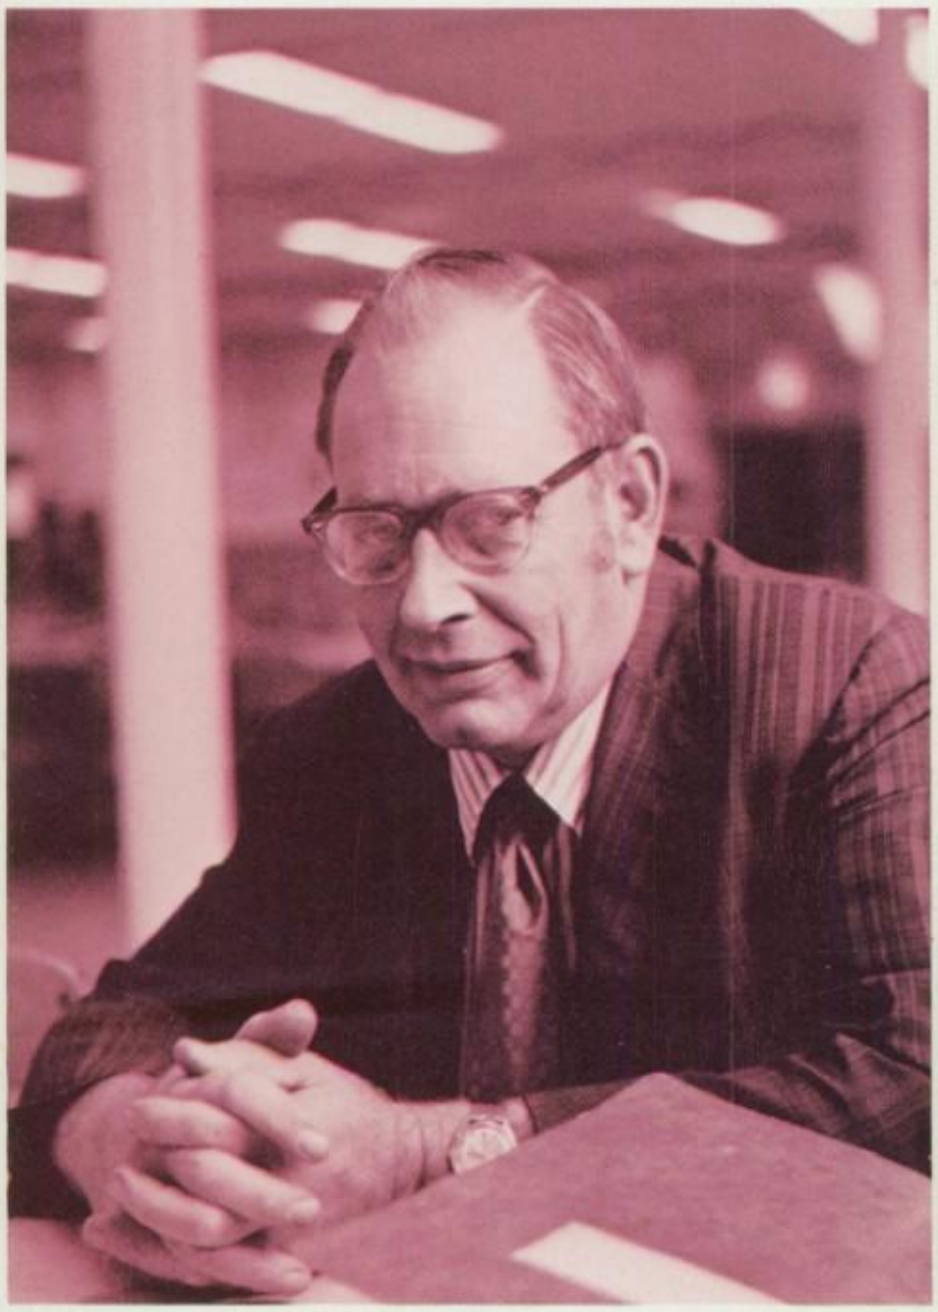
June 22, 1973

Earlier this week the class decorated ... our Senior Ball was held tonight. It was the time to conclude our social affairs at Draper.

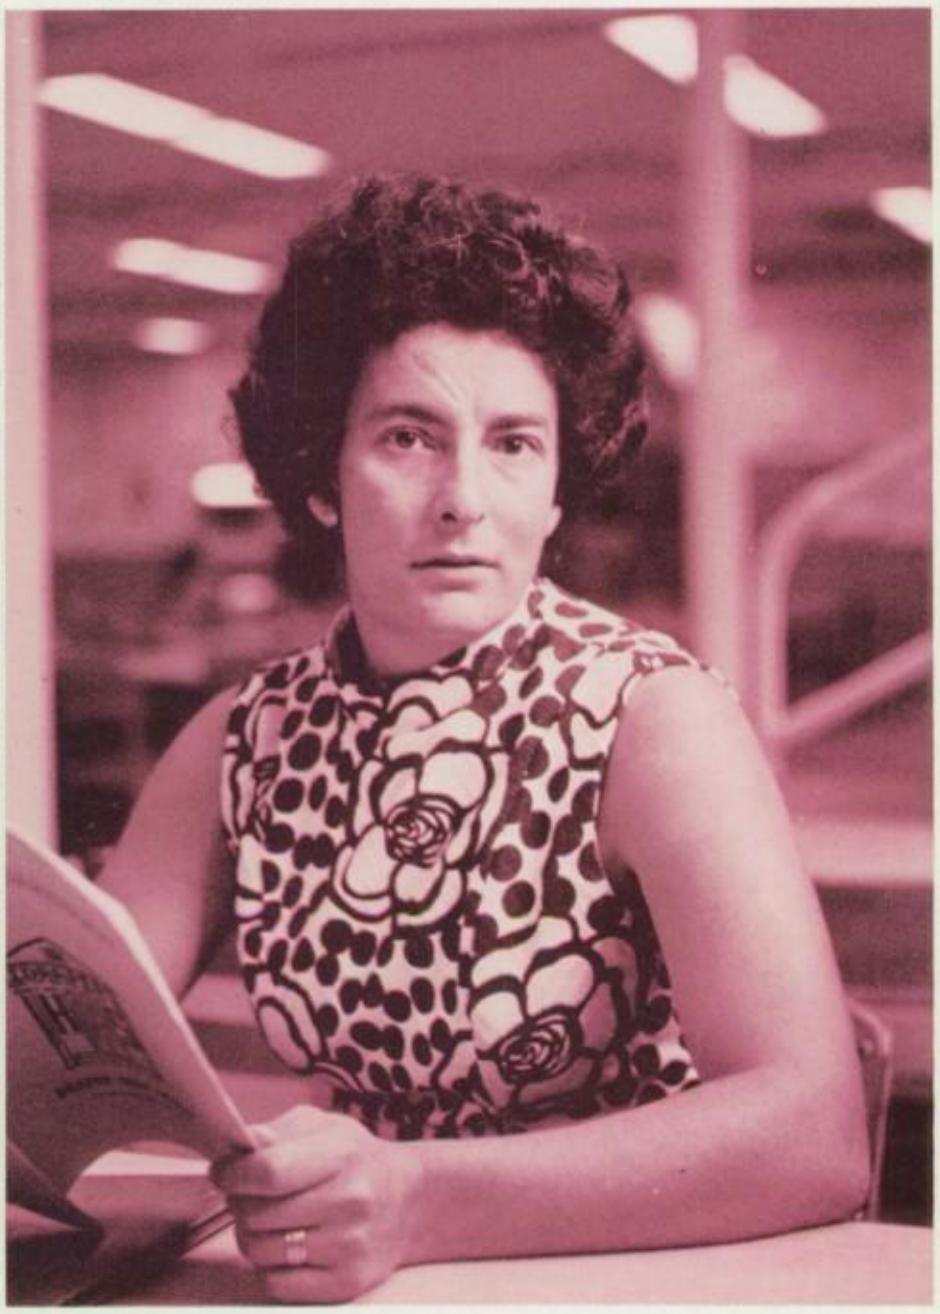
June 24, 1973

Today is Graduation Day. We are leaving behind friends and memories never to be forgotten.

SENIOR CLASS DEANS



MR. R. WHITESIDE



MRS. S. HACHIGIAN

The Senior Class of 1973 wishes to thank our Deans, Mr. Whiteside and Mrs. Hachigian for everything they have helped us accomplish. Without their capable leadership and guidance we would never have reached our goals.

They have always been near when we needed advice and have always devoted their time to make our projects a success. We will never forget what they have done for us and how much we enjoyed working with them.

Once again "Thank You" from the Senior Class of 1973.

A.F.S.

You've probably seen a new face around Draper this year. That's Mario Godoy, our A.F.S. student from Riobamba, Ecuador. Mario has been very busy in school activities, such as cross-country which he broke the school record in, Spanish Club, Student Council, Key Club, National Honor Society and the Senior Play. We sincerely hope that this year will be a most memorable one for Mario.

Alice Ferrante, a senior, was sent to the Philippines last summer as an A.F.S. student. The town she lived in is twenty miles from Manila. During her stay, the area floods limited her activities, but Alice was able to attend school, plant rice, and help in flood relief. She found the people very friendly and very enjoyable.

THE JUNIOR CLASS

S. Cimino - Sec., C. Taylor - Treas. D. Valachovic - V. Pres., G. Giorgio - Pres., G. Tierney - Sgt.-at-Arms.

Advisors - Mrs. E. Mueller and Mr. R. Stuart.

The Junior Class made this past year a memorable one to be sure. This marked the first class at Draper to have its prom, Summer Breeze, outside the school, in this case the luxurious ballroom of Schenectady's Holiday Inn.

Working toward this great goal, our class got busy early in the year selling raffle tickets and Christmas and birthday bows. We held several bake sales at our home football games and held a highly successful dance in October. In December we had another great dance.

Under the new-found leadership of our new dean, Mr. Stuart, and with Mrs. Mueller also a faithful counter-part, 1972-73 was certainly a memorable one.

THE SOPHOMORE CLASS

M. Caruso - Treas., K. Navaretta - Sec., C. Massaroni - Pres., M. Van Woeart - Parliamentarian, M. Ricciardi - Sgt. at Arms, Missing, K. Ciervo - V. Pres.

Advisors - Miss A. Pijnenburg, Mr. C. Foster

In a few short months we'll be Juniors and we'll be preparing for our prom. Now that we've achieved the necessary financing, I'm sure ours will be the greatest prom ever, and the senior ball will be even greater.

As class officers we strived for class unity by sponsoring such fund raising activities as bakesales, carwashes, dances, and potato chip selling. We did our part to boost school spirit by selling garnet "Draper" buttons. As president, I did my best to unite our class and I was happy to see large turnouts at class meetings. This showed me that I wasn't alone in my dreams of a "perfect" prom and ball.

We have voted Mr. Foster and Miss Pynenburg the world's greatest deans. Without their help and guidance, none of this would be possible, so "Thanks."

THE FRESHMAN CLASS

M. Chiusano - Pres., C. DeCerbo - Sec., L. Bonk - V. Pres., K. Lee - Treas.

Miss G. Ames and Mr. T. Yuille

The Class of 1976 was led for the third year by President Michael Chuisano. Although organized for two years, the freshman class sponsored its first class project this year. Efforts were made by the officers and advisors, Miss Ames and Mr. Yuille, to involve more students in activities of the class.

The class also planned to participate in the school-wide candy sale in the spring. Many students worked hard to make this a successful project.

Many class members and officers have worked hard to make 1972-73 a successful year for the Class of 1976.

THE EIGHTH GRADE CLASS

M. Travers - Secretary, K. Parente - Vice President, R. Cuomo - President, L. Boscia - Treasurer.

Mrs. Hanke Mr. Ardell

As eighth grade president, I have enjoyed working with my fellow classmates immensely. I think that our class will contribute to improving Draper High School. Our beginning years in Junior High School have proved that the class can favorably work together, and the future looks promising. Our project of selling candy shows that many in our class are devoted workers.

In conclusion, I would like to thank our class officers and deans, Mrs. Hanke and Mr. Ardell, for their help throughout the year. And I hope everyone will make our years at Draper, as benificial as we can.

MRS. PATRICIA BIELAWA

Good Luck, Good Health, and much Happiness to our Class of 1973.

It is my sincerest wish that in all your future endeavors you may succeed beyond your fondest hopes.

Remember always the love for life and our country, for you hold our future in your hands.

Patricia H Bielawa

MR. WALLACE DILLENBECK

I congratulate you, the Class of 1973, and wish you happiness and success.

During the time you have spent at Draper you have had opportunities to study for your life's work. It is my hope that you may find much that is helpful in the knowledge and experience which you have gained.

Wallace E. Dillenbeck

MR. PAUL DOWNES

The first thirteen years of your formal education will soon be completed. Some will go on to institutions of higher learning; others will go out to make their way in the world. You will have more freedom of movement than you have ever had before. It is my profound hope that each of you will realize the need for self-discipline in your adult life.

May God bless each of you with a rich and productive life.

Paul L. Downes

Many people have a deep desire to make some real contribution to life. Never, never let anyone convince you that you have no talent or ability! Keep up the search for your gifts or talents, and when you find them, dedicate them to a high purpose; you will make your contribution to life.

My best wishes to the class of '73. May you find your gifts or talents and use them for continued success.

Charles E. Jurewicz

MR. CHARLES JUREWICZ

MRS. MABEL RUFF

CONGRATULATIONS TO THE CLASS OF 1973

Your class is the first to graduate having 18 year old students participating in a presidential election. I am confident this added privilege, right, and responsibility has caused you to reflect deeper into the purposes of learning. Reality now is very near and many efforts by many people over many years have, we hope, had a positive effect on your development. Your continued maturational development and your effort in developing your aptitudes will play an important part in your contribution to society and to your greater appreciation of life.

Best wishes for a healthy and happy future.

In 1972, the Viking took on a new appearance. To publish 6 issues, editors decided to have the newspaper printed on newsprint. The savings was used to finance an extra issue.

With a young staff of reporters, the Viking continued its tradition of not only news reporting, but also interviews and varied features. It also brought many new columns to its pages. Some of these columns dealt with music, advice, astrology and movie reviews.

The editorials this year have covered a wide range of topics. They have dealt with items of student and community interest, school problems and education.

Pep Club, formerly known as Booster Club, had a successful year under the leadership of President Claire Taylor and advisors, Miss Ames and Mrs. Gardiner. Along with the cheerleaders, it is responsible for supporting all the interscholastic sports of the school. This is done through the making of posters, selling programs and sponsoring pep rallies.

In order to raise money for the sports banquet in June, the club has sold booster badges, pennants and megaphones. Also this year we sponsored a dance after the home games.

This year the club started a new idea, which its members hope will become a tradition at Draper: to each of the senior athletes the club presented a ceramic similie representing the sport or sports in which he or she participated.

At the last sports awards assembly the sportsmanship trophy was presented. That evening the annual sports banquet, honoring the senior athletes, was held. This ended another profitable year for the Pep Club and Draper's Athletic program.

We raised money for parties through bakesales. Some girls worked in a booth at the Christmas Bazaar and other girls made candles to sell there. We also raised money for and communicated with girls from the Sioux Indian Tribe in South Dakota. The girls in Tri Hi have had a very active and fulfilling year.

Chaque année, avant les fetes de Noël et de Pâques, le cercle Francais offre aux professeurs de notre école un choix des comestibles delicieux. Les membres du groupe les préparent euxmêmes. Ces projets servent à gagner de l'argent pour faire une excursion à Montréal.

This year in G.A.A. we finally played soccer on the field, which proved to be quite an experience. All of the girls in G.A.A. put in a considerable amount of blood, sweat and tears through the joy of victory and the agony of defeat. Special recognition and thanks go to Mrs. Kehoe for putting up with all of our excuses and helping us make our jacket and sweater sales successful. The year will be topped off with a trip to the Ice Capades.

The Draper Cadet Teaching Corps (FTA) was established to encourage and stimulate those qualities and characteristics that are evidences of the truly professional teacher: a person dedicated to liberating the human spirit and, thus, the mind of those whom he guides on the path to intellectual and emotional growth.

The D.C.T. program gives corps participants an opportunity to obtain valuable first hand, daily experience in the classroom under the supervision of a devoted sponsor-teacher. Through the member's daily contact with and observations of children, through his exposure to teaching-learning problems, educational approaches and materials, he is provided a basis for assessing his own potential as a guide for young people.

A new club was formed at Draper this fall and grew into an interscholastic team. Fourteen boys with a keen interest in Chess met at least once a week to play the game. Thus, Draper's first Chess Club was formed. By the end of October the club developed a five-man team to compete in the Northeastern Interscholastic Chess League. Schools we played were: Shaker, Niskayuna, Mt. Pleasant, Guilderland, and Bishop Gibbons. Draper won three of the first twenty chess boards played. Our most advanced players were tenth graders competing with Juniors and Seniors of long standing teams in other schools. We won twenty per cent of our games. An elimination tournament was also held within Draper.

Members of the club have worked with elementary pupils on all grade levels. They have helped girls and boys in reading, spelling, and math. They have increased children's interest and desire to read and have given them needed help in phonics, oral reading and math skills. They have helped by providing individual attention for children who have difficulty working in large groups.

This year, the Robed Choir under the direction of Mrs. Margaret Gray and accompianist Mrs. Virginia Murphy, has had another successful year. Even though the choir has decreased in size, the quality of an A-6 choir is still there.

The choir had quite a busy year starting with the Metro-Fair in the fall where they did excerpts from "Jesus Christ Superstar." The traditional Christmas Concert consisted of the choir singing the "Messiah" while being accompanied by an orchestra. Also during the Christmas Season, the choir was a guest on the "Dialing For Dollars" television program.

TRACK

The Draper Track Team enjoyed a promising year under the direction of their Coach, Mr. Ken Johnson. They competed in the Colonial Council against such as Ravena, Cohoes, Schalmont, Lansingburg, Watervliet, and Mechanicville.

Although the team this year was young and inexperienced, we are sure that next year's team will have a more successful year, thus making Draper a strong contender in the seasons to come.

This year's team proved to be quite a respectable bunch of ballplayers. With Dean Chiusano, Marty Deptola, and Mark Massaroni's clutch plays, the team came close to victory every time. Only a few careless errors overshadowed their great playing. The boys dedicated themselves to the game and saw most of their efforts rewarded as they represented Draper in the Class C Sectionals.

Then on Election night, the Vikings traveled to Bishop Burke to play their first game under the lights and walked away with a 36-12 victory behind two touchdowns by halfback, Dean Chiusano.

Although the team played well together, individuals were singled out for their outstanding performances.

Mark Massaroni was named to the Gazette, All County All Star Team as starting quarterback. He was also picked to be punt returner on the Knickerbocker All Star Team along with starting quarterback on the Colonial Council All Star Team, Linebacker Bob Hibberd was honorable mentioned on the Gazette All Star Team and Dean Ronca, Lenny Milewski, Dave St. John and Ken Bobar were also named to the Colonial Council All Star Team.

The 1972-1973 season was a good season for Draper. We started the year as a relatively young and inexperienced team. We lost 3 close games which could have made the year even more successful. The boys worked very hard and although we were outscored in some games we were never outhustled. The outlook for next season is very bright.

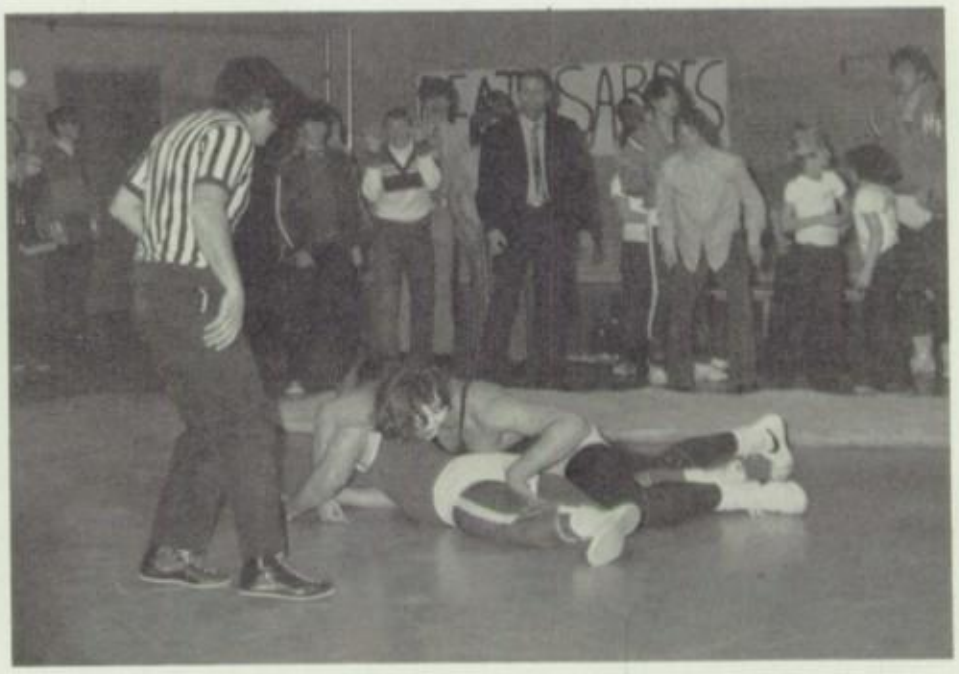
ACTION

WRESTLING



Wrestling one of the toughest schedules in section II the team record was 7-8.

The 1972-1973 wrestling team, however, has many individual successes. David St. John led the team with a 16-0-1 record, followed by records by Co-Captain Pete Palkovic; 13-2-2; Len Milewski; 11-1-1, and John Piotrowski 11-6.

Co-Captain Dennis Ronca had the fastest pin in 26 seconds. The team was plagued with injuries as 22 different wrestlers participated in varsity matches. The 8 team Maple Hill Tourney saw Draper with the most champions. Pete Palkovic, Dave St. John and Len Milewski were first; Dennis Ronca was second, Jerry Lynch third, and John Piotrowski was fourth.

The team is young and the future is bright. The 1972-1973 Colonial Council Champions will continue to reign.

Michele,
I'm really glad we're such good friends because we always have a good time what we do (at least matter what we do) This summer I know we'll have a lot of fun. Our attempts to get + just going out (+ drinking of course) Don't forget any of our good-times had so far. I'll never forget that night we had a lot of fun. You and Barb were trying to get Mike's house ready for Rest time, it's when it was over me. Remember your problems this got bombed + you needed it. You making fun. Be sure to forget. I hope you know what you're doing. Good luck this summer? I know someone a lot, yet. When I do, you'll have any problems because I helped me. Right now I'm hearing loads of problems. Good luck always with Wayne and John. You're really lucky because they'll have both dolls. Well, I have to do my shorthand, + besides that I said all I wanted to say.

Always Stay Happy + Be Good

Luv ya,
Debbie
